

Final Report Presentation

It indicates that order placed per week are exceptoinally well. But for the upcoming weeks Orders placed might be average throughout.	The most ordered Cuisine is Italian while Continetal Cuisines are least ordered. Beverage seems to be the most ordered category. Thus upstocking of beverages and Italian cuisines should take priority	In each Cuisine there is a particular high order for each category. Like Italian Sandwiches, Thai Beverages, Indian Rice bowl & Continental Pizza. Thus upstocking of raw material should be done by keeping these demands in check	The Centre 13 is doing well in the order placing perspective while Centre 91 isn't doing that well. In terms of Sales in each centre unlike the order no. prediction Centre 10, 52 are doing better than Centre 43 despite of its no. of orders placed
